Questions, demo **+243 839 892 822** app.viteposrdc.com

No more guesswork at closing time

Before Every evening, recounting the notebook... and something is always missing.

With vitePOS Every sale is recorded, stock counts itself, the till adds up.

What vitePOS does for you

No more change mistakes
Customers pay in $, €, FC or mobile money: vitePOS works out the change.

Customers who come back
A clear receipt with your name, printed or sent by WhatsApp.

You know what to restock
Alerts before running out and before expiry. Sell by the carton or piece.

Trust, and check
One account per seller, no sale erased, buying prices hidden.

The till adds up
In the evening, you see what should be in the drawer, and any gap.

Your profit, anywhere
The day's sales, expenses and margin, even far from the store.
